SAF/CIO A6 Mission Brief

Lt Gen Mike Basla
Chief, Information Dominance
and Chief Information Officer

U.S. AIR FORCE

U.S. AIR FORCE

- **Vision**
  - A premier team of Airmen providing resilient and integrated air, space, and cyber capabilities and game-changing solutions for the Air Force and the Joint fight
- **Mission**
  - To integrate AF, Air, Space, and Cyberspace information and systems into the joint fight. We do this by directing policy and advocating for resources to provide secure, reliable, and timely information to the Joint Warfighter.
